## **KG GRADUATION 2018-19(Cont.)**

Kindergarten graduation is a milestone achievement and a point of a great transformation in the life of a student.

IJPS celebrated Kindergarten Graduation Day to applaud the young enthusiastic learners of KG2 students for their commendable performances in the academic year 2018-2019.

The occasion was graced by the outstanding school principal, Ms. Rahma Abdulsalam, and the enthusiastic vice-principals, Miss Solafa Qandil and Miss Dalia Ali. The ceremony was also attended by the proud parents of the graduates.

We gathered on that day to witness and celebrate with our young graduates who have successfully gone through an important phase on their study. The time to step up on another level of their academic lives together with them the memories and learnings they have acquired.

Tiny tots dressed up with nice attires and performed different activities like music and dance which was appreciated by all gathered.

Ms. Grace, one of the KG2 teachers, in her convocation address complimented the graduates on their achievements, also congratulated the awesome KG2 teachers for their dedication and hard work in

shaping the students through education and other co-curricular activities. The most important part of the day- Graduation Ceremony was the smart tiny tots of kindergarten graduates dressed in graduation robes and caps walking the stage.

It was indeed a joyous and memorable day for not only the little ones but also a proud moment for the parents.

### ***IJPS Trip to Louvre Museum***

The **Louvre Abu Dhabi** is an art and civilization museum, located in Abu Dhabi, United Arab Emirates. The museum was inaugurated on 8 November 2017 by the French President Emmanuel Macron and United Arab Emirates Vice president Mohammed bin Rashid Al Maktoum and Crown Prince of Abu Dhabi Mohammed bin Zayed Al Nahyan.

IJPS arranged a trip to Louvre Museum, on Thursday, 25<sup>th</sup> of April, 2019 for grades 5 to 9. Museum visits had never been among our most exciting childhood memories, but Louvre Abu Dhabi has changed the mindset. Artifacts of beauty from all different civilizations are placed together creating echoes and continuing legacy of one man: the late Sheikh Zayed bin Sultan Al Nahyan.

The session was conducted with the assistance of a trained Abu Dhabi Emergency Response Team member, Ms. Salwa, who is also First aid trained and possesses Life Saving Training Skills. Some of the things she discussed are the following:

### **When is Ramadan:**

Ramadan is traditionally marked by the sighting of the crescent moon on the ninth month of Hijri / Islamic Calendar. This year, it is most likely to fall on Monday, May 6, 2019. However, as mentioned earlier, it can only be confirmed after the Maghrib prayer of a previous day.

### **What is Ramadan all about?**

Ramadan is regarded as the best month of the year for Muslims as it was the month in which the Quran was revealed to the prophet Muhammad (PBUH) on the night of Laylat Al Qadr.

“The month of Ramadan (is that) in which was revealed the Quran, a guidance for the people and the clear proof for guidance and criterion. So whoever sights (The new moon of) the month, let him fast it, and whoever is ill or on a journey - then an equal number of other days. Allah intends for you ease and doesn't intend for you hardship and wants for you to complete the period and to glorify Allah for that (to) which he has guided you: and perhaps you will be grateful.”

Surah Al-Baqarah 2:185

The annual observance of Ramadan is considered as one of the ‘Five Pillars of Islam’ .

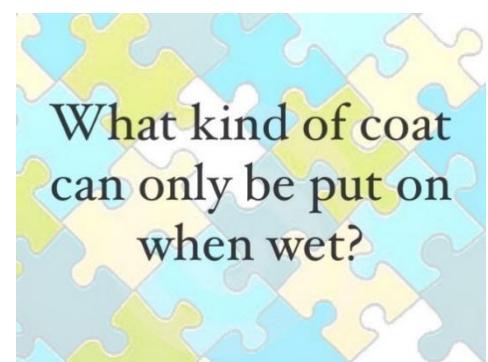

Muslims observe fasting during the whole month. Adult Muslims are required to fast from dawn to dusk every day throughout Ramadan. In addition to abstaining from eating, drinking, and smoking, Muslims also refrain from sinful speech and behaviour. Muslims pray Taraweeh every night for 30 days, after Isha prayers.

Ramadan is a period for Muslims to rehearse self-control, patience, and compassion for those less privileged

### **Basic Ramadan etiquette**

During Ramadan, Muslim countries practice the following etiquettes (even for the non-Muslims)

- No eating, drinking, smoking in the public during fasting hours
- No engagement in any aggressive behavior.
- No music in public.
- Not wearing inappropriate clothing
- No swearing and abusing.

## IJPS AXIOM:

## PROFESSIONAL DEVELOPMENT

### UAE INSPECTION FRAMEWORK

Teachers need a variety of professional development skills along with knowledge of their subject matter and experience in order to be an effective teacher. Same practice continues in IJPS where Professional development is of highest importance. From 7<sup>th</sup> – 11<sup>th</sup> April, training inside school was at its full swing where Support and intervention strategies in context of Attainment/Progress/ Learning skills/ Personal development/ Curriculum /G&T /Differentiated strategies were the centermost priorities. Training initiated by Miss Shaama/ Rabia/Espiranza and Miss Crystal to update individual's knowledge of a subject.

### TEACHER TRAINING

IJPS accentuate on integrating increasingly multicultural classrooms to update teacher's skills, attitudes and approaches in light of the development of new teaching techniques and objectives, new circumstances and new educational research. School also encourages individuals to apply changes made to curricula or other aspects of teaching practice. During the trainings that continued for 1 week, teachers were trained to apply new strategies concerning the curriculum and other aspects of teaching practice. Miss Dalia initiated the on-going training practice followed by Miss Rabia, Crystal, Espiranza and Miss Shaama to name few.

### TEAM AND LEADERSHIP

Strategic school building leadership is important because education in the 21st century is a new frontier and IJPS recognizes the challenges. Therefore UAE school inspection Framework is given wide importance and counting on it when it comes to Attainment, progress and learning skills of students. Workshops are headed mostly by the aspiring school principal and teachers of each department take full responsibility in training each other so that the teachers are able to indicate participation in multiple activities.
